## **Building Program**

### *Prayer to Our Lady Star of the Sea*

Oh, Holy mother of God, look graciously  
Upon our prayers and devotion to your  
Beloved Son Jesus.

It is your will that we live as brothers  
And sisters, building up the world by  
The marvelous powers that you have  
Graciously given us.

We entrust the building of our new  
Church to your intercession so that it  
May contribute to the love of this world  
And the spread of the Kingdom of Christ.

Son of Mary, and Jesus our Christ,  
With you as our example and guide  
Help us to faithfully carry out our commitment  
And do the work God has asked.

Give us the courage, the strength, and the  
Desire, to go above and beyond in all  
Of our efforts: physically, spiritually,  
And financially.

May your church be a place of refuge,  
A source of love and mercy, and a visible  
Sign of your presence.

AMEN
